80 ft
Frontage

An aerial photograph showing a large, rectangular plot of land outlined in yellow. The plot is situated behind a concrete wall and a road. The land is mostly bare with some sparse vegetation. In the background, there are several green, rectangular plots, possibly for agriculture or aquaculture, separated by earthen dikes. A river or canal is visible in the upper right corner. The text '80 ft Frontage' is overlaid on the yellow boundary line.
